

South Sutter Charter School

California Department of Education School Accountability Report Card Reported Using Data from the 2013-14 School Year

Published During 2014-15

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

Cynthia Rachel

Principal, South Sutter Charter School

About Our School

South Sutter Charter School is parent driven school, that values the philosophy of individualized education with a focus on families' educational philosophies and students' learning styles. We are dedicated to our guiding principals and mission statement; administration, teachers, staff, families, and students work collaboratively to ensure positive and productive learning experiences. We continuously seek to achieve excellence while focusing on our educational vision and philosophy by setting goals, providing teacher trainings/workshops, maintaining parent and teacher communication portals, seeking and implementing feedback, offering extensive curriculum choices, and continuously implementing innovative educational outlets to promote life-long learning opportunities. South Sutter received a 6 year WASC accreditation in 2010. I am honored to represent South Sutter Charter School and the philosophy of parent driven education.

School Description and Mission Statement (Most Recent Year)

About South Sutter Charter School:

South Sutter Charter School (SSCS) opened in the fall of the 2005/2006 school year. South Sutter values the role of the parent in the education of their children. SSCS believes in programs that offer individual learning plans for each student, and takes pride in modeling these principles. SSCS is an independent Charter School sponsored by the Marcum Illinois School District in Sutter County. SSCS Educational Specialists (ESs) work closely with the families to serve the assigned student's educational needs as determined by a written student agreement between the parent and the ES. The parent and ES work together toward student accomplishment and completion toward individual growth and state standards. They also work diligently to meet the major deadlines on the yearly paperwork timetable, as well as the paperwork deadlines for each student. ESs serve their share of required proctor duties each school year, and attend required professional growth trainings. Every ES must possess and maintain a valid teaching credential for every day they serve a student. South Sutter Charter School was granted WASC accreditation in 2007 and the school received a six year renewal in 2010.

Mission Statement:

We believe in educating each of our students for the 21st century by providing individualized learning opportunities that incorporate parental participation, choice and involvement in curricula offered in personalized learning environments.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School		District	
	2012-13	2013-14	2014-15	2014-15
With Full Credential	118	104	107	11
Without Full Credential	0	0	0	0
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Last updated: 1/23/2015

Teacher Misassignments and Vacant Teacher Positions

Indicator	2012-13	2013-14	2014-15
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress/ Standardized Testing and Reporting Results for All Students in Science – Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14
Science (grades 5, 8, and 10)	44	45	54	46	46	54	60	59	60

Note: Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 12/16/2014

California Assessment of Student Performance and Progress Results by Student Group in Science (School Year 2013-14)

Group	Percent of Students Scoring at Proficient or Advanced
All Students in the LEA	54
All Students at the School	54
Male	56
Female	52
Black or African American	40
American Indian or Alaska Native	
Asian	83
Filipino	
Hispanic or Latino	45
Native Hawaiian or Pacific Islander	
White	56
Two or More Races	63
Socioeconomically Disadvantaged	44
English Learners	
Students with Disabilities	11
Students Receiving Migrant Education Services	

Note: Science assessments include CSTs, CMA, and CAPA in grades 5, 8, and 10.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 12/16/2014

Standardized Testing and Reporting Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13
English-Language Arts	49%	52%	51%	50%	53%	52%	54%	56%	55%
Mathematics	28%	28%	28%	30%	30%	31%	49%	50%	50%
History-Social Science	26%	31%	30%	27%	32%	30%	48%	49%	49%

Note: STAR Program was last administered in 2012–13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 12/16/2014

Academic Performance Index Ranks – Three-Year Comparison

API Rank	2011	2012	2013
Statewide	1	1	2
Similar Schools	2	1	2

Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

Last updated: 12/16/2014

Academic Performance Index Growth by Student Group – Three-Year Comparison

Group	Actual API Change 2011	Actual API Change 2012	Actual API Change 2013
All Students at the School	18	16	-5
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino	19	30	-1
Native Hawaiian or Pacific Islander			
White	17	15	-5
Two or More Races			
Socioeconomically Disadvantaged	40	9	11
English Learners			22
Students with Disabilities			

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement - Most Recent Year

SSCS parents receive emails from a parent listserv that provides resources such as classes in our various geographic areas, college scholarship opportunities and deadlines, and Group Educational Activities (GEAs). On a GEA students go to local museums, zoos, aquariums...etc. Students have the opportunity to learn cooperatively in a hands-on environment and complete pre and post learning activities that coincide with the activity.

SSCS parents and ESs work together to select vendors that provide physical education classes (such as dance lessons, nutrition classes, swimming lessons... etc.). They also work together to select vendors who will provide group learning experiences such as small group tutoring or classes, music, art, and core subject classes.

Parents participate with the credentialed teacher in the development of the student's educational plan, initially and on an ongoing basis. Parents meet face to face with their Education Specialists at least once every 20 school days to review and document attendance and the student learning that occurs during that learning period.

SSCS Parent Council members meet a minimum of twice per year. The parents are elected to the council and serve as a member for a two year term. Each member of the Parent Council is involved with decisions about the school and its policies. Parent Council members serve on a subcommittee to promote school and student needs. The role of the parent council member is to:

- Uphold the mission of school
- Develop/approve short and long term goals
- Monitor school's performance
- Monitor own performance
- Be involved in the accreditation process
- Serve for a two year term
- Plan to attend all council meetings
- Make suggestions to improve school
- True to school's mission, not personal agenda
- Be positive!

All parents with children enrolled in SSCS have the opportunity to volunteer their time to a council sub-committee.

State Priority: Pupil Engagement

Last updated: 1/23/2015

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13

Types of Services Funded (Fiscal Year 2013-14)

Students are assessed with a local assessment twice per year. Students scoring two or more grade levels below their current grade level on any standard, are eligible for intervention curriculum and classes. Our students and their teachers have different print and online curriculum to choose from. Our intervention students also take online classes with an online tutor, focusing on ELA or Math standards. Our high school intervention students receive weekly tutoring on CAHSEE content and strategies.

Professional Development – Most Recent Three Years

New Educational Specialists (ESs) are guided through an initial training process which covers all aspects of the job including administrative reporting and procedures, educational philosophies, all assessments required of students, and how to select curriculum that fits individual needs of their students. The ESs demonstrate their knowledge and understanding of these topics by completing training tests within the required time, and by passing those tests with 100% accuracy. The ES also attends in person trainings, individual one-on-one trainings with their advisor and observes veteran ESs at learning record meetings.

An advisor is assigned to each Educational Specialist to interact with them as a mentor and supervisor. The advisor explains the procedures and requirements in further detail, oversees their paperwork, and ensures that they are following set policies and procedures correctly.

Education Specialists attend required monthly professional development meetings with other ESs in their geographical area. Each meeting has a set agenda that informs the ESs of important information, reviews procedures and policies, new and current curriculum choices, teaching strategies and techniques, high school training, and conflict resolution strategies. The agenda also allows for networking time amongst the group on a variety of topics and procedures. There are two all day professional development days that are required for the ES to attend where further trainings on various aspects of the job are presented. Additional trainings are provided that are specific to policies, procedures, curriculum, and high school issues which are presented over a web based media.
